**Stylist to the stars, David Gan**

**Her wish** A mini hair makeover by hair maestro David Gan. "I've done everything to my hair, including dye it purple! Now I just want something simple and stylish. I've admired David's work in editorials since my early teens, so I'd like to see what he can do for me!"

**Granted by** The man himself, David Gan from Passion Hair Salon. David gave Priscilla's ends a trim, and added highlights for extra lustre.

**Her verdict** "I'm very happy

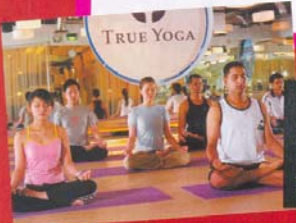

with David's work. The trim gives lightness and body, and the highlights make my hair look healthier."  
**Where she went** Passion Hair Salon, #02-01/02 Palais Renaissance. Tel: 6733 5974

**Her wish** Beginner yoga lessons. "I've been looking to tone up and feel stronger. What I really need is a low-impact exercise regime, one that doesn't put too much stress on my joints."

**Granted by** True Yoga, where Joanna attended five personalised beginner sessions by Yoga Master, Adi. Her hour-long sessions involved gentle yoga routines that included breathing techniques, holding poses and stretching.

**Her verdict** "I enjoyed the workouts as they involved a lot of stretching. I now feel inspired to keep healthy and I'm hoping that, with time, I'll be fitter and more toned. I'm definitely considering working yoga into my life."

**Where she went** True Yoga, 20 Raffles Place, Level 2, Ocean Towers. Tel: 6733 9555.

**A better body is one True-Yoga session away!**
